

Work Safely in the Construction Industry

*Delivering Quality
Training and
Assessment*

CPCCOHS1001A (White Card)

This course is a legal requirement under the OH&S regulation 2001 for any person working on a construction site, including road construction sites.

The course covers

- OH&S responsibilities,
- consultation,
- Emergencies & first aid requirements,
- risk management,
- safe work method statements,
- hazardous substances,
- fire, safety signs,
- and workers compensation.

Participants must be able to produce Personal Identification to WorkCover's satisfaction before starting the course.

Duration 6 Hours

The course can be organized either at our training centre in Eden or at the workplace to suit your needs.
