

# Chainsaw Level 1 Course

*Delivering Quality  
Training and  
Assessment*

Our Level 1 Chainsaw course is designed to allow individuals to gain the required knowledge and skills to be able to operate a chainsaw safely and correctly.

The course runs over a 2 day period.

Day 1 Introduction to the chainsaw theory and personnel protective equipment, basic chainsaw maintenance and chain sharpening. Areas covered include:

- Safe chainsaw operations
- Hazard and risk identification and use of control methods
- Planning for safe cutting sequences
- Routine operator maintenance
- Selection of the correct equipment for the job

Day 2 Chainsaw use in a practical bush setting allowing the student the opportunity to put the theory into practice in a controlled environment.

On completion the students will be issued a National Recognised Statement of Attainment.

The course can be organized either at our training centre in Eden or at the workplace to suit your needs.
