

Chainsaw Level 2 Basic Felling

*Delivering Quality
Training and
Assessment*

Our Level 2 Chainsaw course is designed to allow individuals to gain the required knowledge and skills to be able to operate a chainsaw safely and correctly and fall trees.

The course runs over a 3 day period.

Day 1 Introduction to the chainsaw theory and personnel protective equipment, basic chainsaw maintenance and chain sharpening. Areas covered include:

Day 2 Chainsaw use in a practical bush setting allowing the student the opportunity to put the theory into practice in a controlled environment.

Day 3 Continue practice in the forest environment.

Areas covered in the course:

- Prepare and maintain falling equipment
- Assess conditions and surrounds
- Assess tree and plan falling
- Fall trees

On completion the students will be issued a National Recognised Statement of Attainment.

The course can be organized either at our training centre in Eden or at the workplace to suit your needs.
