Following the successful completion of the 1 day course participants will be able to perform the following:

- Follow OH&S regs, policies & procedures
- Identify & explain the operation of all parts of a pole saw
- Correctly and safely operate pole saws
- Correctly service and maintain pole saws
- Identify & use correct cutting sequences
- Identify problems in trees requiring care

The course can be organized either at our training centre in Eden or at the workplace to suit the your needs.
